Hello Rebecca,

Attached please find the SOV, supplemental application and Acord applications for the upcoming 6/1/21 renewal. The SOV is not color coded, but organized with like properties so hopefully it will be easy enough to follow. We are including the Excess Liability, if we could work through your office for the renewal that would be great.

Noting the only change from current coverages is the Warrenton East Properties have been removed from the 21-22 renewal. (PLEASE DO NOT REMOVE FROM CURRENT POLICIES). Also, the SOV is accurate so if you notice we have left anything off the Acord, please let us know.

Please let us know if you have any questions or need additional detail to offer renewal.

Thank you,

*Ami Seener*

Hi Ami, thank you for reaching out.

If you can send over updated applications for the renewal policies that will help us provide renewal terms more quickly. I think last term we used color coding on the SOV to decipher which location applied to which policy.

Thanks,
